About the Wyoming County Economic Development Authority

The Wyoming County Economic Development Authority (WCEDA) has been serving Wyoming and the surrounding counties' business needs for over a decade. **The WCEDA has lent over \$6 million to our West Virginia neighbors.**

At the Wyoming County EDA, we want to create and sustain jobs in West Virginia, a place we're proud to call home.

Other Services Available through the WCEDA and our Partners

- Free business counseling and planning assistance
- Workforce training assistance
- Small Business Fund and Micro-Loan Program
- Larger loans through partnerships with banks and other lending institutions
